

When Waters Roar and Foam

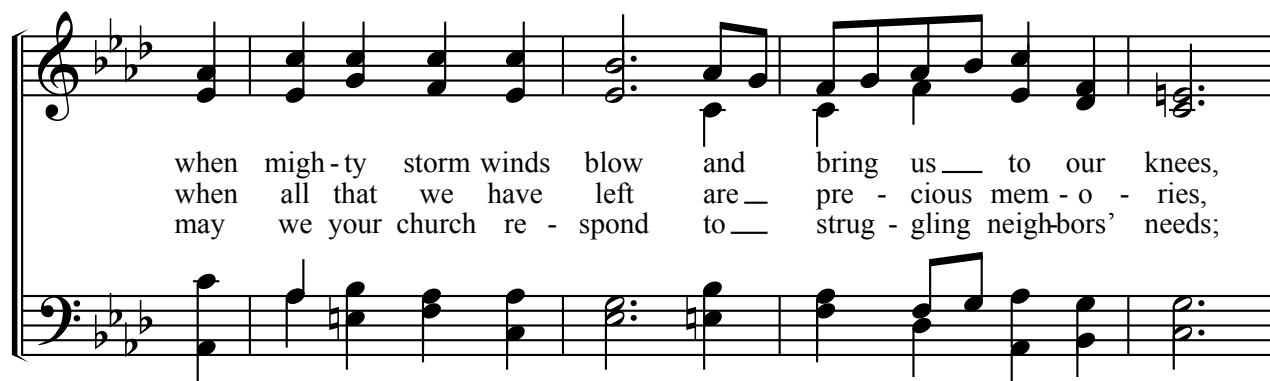

LEONI 6.6.8.4 D ("The God of Abraham Praise")

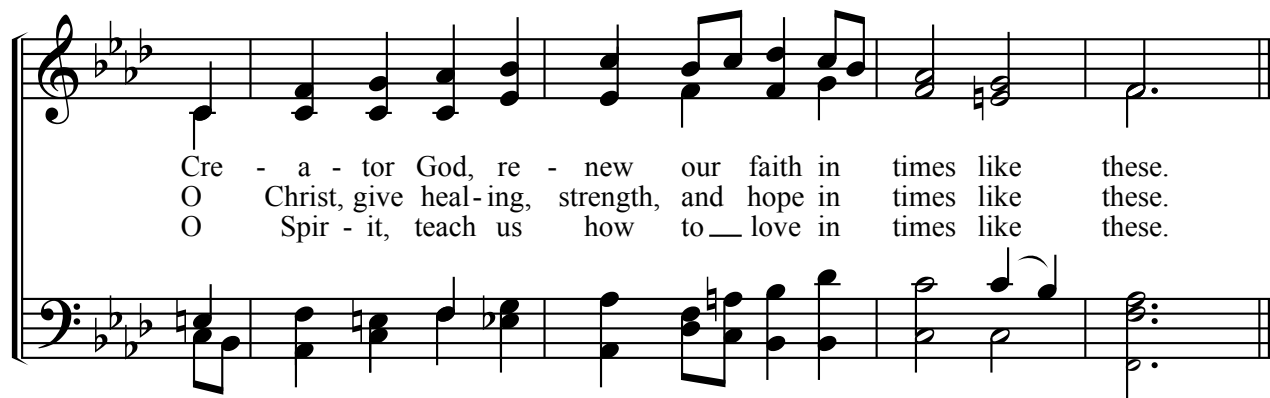

When wa - ters roar and foam and o - ver - take the land,
When neigh - bor - hoods we love are lost in just a day,
When help is hard to find, when oth - ers need a hand,

when homes a - long the shore are filled with mud and sand,
when homes and lives and live - li - hoods are swept a - way,
when peo - ple suf - fer, tired and cold, through - out the land,

when migh - ty storm winds blow and bring us — to our knees,
when all that we have left are — pre - cious mem - o - ries,
may we your church re - spond to — strug - gling neigh - bors' needs;

Cre - a - tor God, re - new our faith in times like these.
O Christ, give heal - ing, strength, and hope in times like these.
O Spir - it, teach us how to — love in times like these.
